VERY IMPORTANT

This race is held on mountain roads. It is held on paved roads and on dirt tracks, but it is not meant to be a race where a runner can compare his racing time with other races with the same length. This is not a trail race either, because it doesn't take place on mountain trails.

This race is held inside Portugal's only National Park; all participants must respect its rules.

Due to logistical, security and environmental needs, registrations are very limited.

In order to preserve a natural heritage of enormous wealth, we want you to enjoy it in full communion with nature, by respecting and protecting it. For this same reason, we inform you that liquid refreshments will not be supplied in bottles or plastic cups. **Athletes are responsible for bringing with them the container(s) they deem most suitable for their hydration (preferably also suitable for hot drinks);**

The Peneda-Gerês National Park is a natural heritage we want to preserve! We want our children to enjoy this heritage tomorrow the same way we enjoy it today!
