1.2 Host Region/ City Albufeira

Located in the south of Portugal, in the centre of the Algarve, Albufeira enjoys Mediterranean climate with pleasant air and water temperatures all year round. With its miles of golden sandy beaches, it is an environment designed for the most diverse sports activities with a fascinating historical and cultural heritage. A cosmopolitan area marked by white houses in the historical town centre, where the blue ocean combines with the blue sky, and where the sun shines over three hundred days a year.

Connected by highways to the main areas of the country, Albufeira has a modern transport system, allowing fast connection throughout the region, and only 42 km away from Faro international airport.

Official language

Portuguese.

Electricity

220 volts (plugs used are two round pins).

Opening Hours

The shops in Albufeira open between 9:00 and 19:00. Some close for lunch from 13:00 to 15:00. Large shopping centres and department stores, however, do not generally close at lunchtime. Some shops and all the shopping centres and department stores open on Saturday afternoon, whilst all shops are closed on Sundays, except for certain special periods throughout the year when the shops have permission to open. Most of the banks open at 8:00 and close at 15:00. However, there is an extensive network of cash dispensers.

Currency

Euro. You can change your money at any bank and at the hotel's reception desks. International credit cards are accepted in hotels, shops and restaurants.

6. COMPETITIONS REGULATIONS - ENTRY, QUALIFICATION SISTEM & CONFIRMATIONS

6.1 Club Participants

The ECCC Cross Country includes separate events for U20 and Senior men's and women's teams representing the long-distance Cross Country national champion and national vice-champion clubs of European Athletics Member Federations and a Mixed Relay event. If a Member Federation does not have National Championships for any of these categories, Member Federations may select a participating club team according to the paragraph below. However, if the champion and/or the vice-champion club(s) is/are not able to take part then the Member Federation may nominate the third and/or fourth placed club team(s) and so on to be able to participate in the ECCC Cross Country with at least 2 club teams.

Moreover, the first 3 (three) placed clubs of the previous ECCC Cross Country Cup competition in each event and the organizer (if a club) will be eligible to compete with one team in that same event, in addition to 1302.4.1, being such a right not transferable to any other club.

To be eligible to participate in an ECCC event, a club must be an affiliated member of, and/or registered by, or otherwise recognised by a written instrument by the Member Federation.

6.2 Entry Rules

Following European Clubs Foundation Regulation 1302.7, each team may enter a maximum of 6 (six) athletes in each event, of which not less than 3 (three), no more than 4 (four) will be allowed to start the race, in the following conditions:

- No athletes aged less than 16 (sixteen) years on 31 December of the year of the competition may compete in the ECCC Cross Country.
- Only athletes aged at least 16 (sixteen) and not more than 19 (nineteen) years on 31 December of the year of the competition may take part in the U20 events.

All athletes must be able to present, if requested to do so by the Technical Delegate, an official document saying their date of birth.

A Club may only select national or foreign athletes to compete in the ECCC Cross Country who are eligible under the World Athletics terms of eligibility at the date in the year in which the ECCC Cross Country is held, provided that such an athlete is a bona fide member of that club for a period starting at least on 1 January of the year of the ECCC Cross Country.

Will be considered as national athletes, the athletes having the nationality of the country, and recognized by World Athletics to represent this country in international competition.

Each athlete may only be entered in one race of the championships, and he/she can only compete in the race for which he/she was entered.

The number of **foreign athletes** is limited to 1 (one) for each club team in ECCC Cross Country. Member Federations must supply the list of eligible national and foreign athletes to European Clubs Foundation by **10 January** of the year of the ECCC Cross Country.

An athlete cannot compete for 2 different clubs which participate in at least one of the ECCC competitions of the same year.

An athlete cannot be declared eligible to compete by two participating clubs. If an athlete does appear on two lists of eligible athletes, then the clubs' respective federations may consult together (before the final entries) to agree for which club the athlete will compete in that competition. In the event there is no agreement between the involved federations, then the athlete will be excluded from that competition.

6.3 Scoring

Each race shall be scored separately. Each team's score shall be determined by the aggregate of finishing positions achieved by its 3 (three) best-placed athletes. If two or more athletes tie for a place, in any event, the attributable points shall be divided equally between them.

A team with fewer than 3 (three) finishing athletes shall not be counted in the team classification.

No adjustment to teams' scores shall be made in respect of any non-scoring team members. Teams shall be classified according to their scores, with the team in each event having the lowest score being the winner, and so on. A tie shall be decided in favor of the team whose last scoring athlete finishes nearest to first place.

Scoring is not applicable for the Mixed Relay race where classification will be done according to the final position of the last athlete entering to finish line.

6.4 Competition Clothing

Participating clubs in the ECCC Cross Country or corresponding Member Federations must provide European Clubs Foundation/Local Organizing Committee with a full set of photographs of their club team uniforms (preferably in an electronic version) by 29 January 2026 and will have the obligation to wear them throughout the competition:

- JPEG file, maximum resolution, and size 300 dpi / 500KB
- Compressed ZIP file, (if possible)
- Mail to : joseluis.decarlos@european-athletics.org/ algarve@aaalgarve.org

All competitors must wear registered vest of the same design and colour of the club they are representing.

The competition and the warm-up attire of the athletes representing qualified clubs in the ECCC events may have advertising, as permitted, under the regulations of the respective Member Federations. If a Member Federation's regulations differ from the World Athletics Advertising Regulations, regarding clothing of athletes, Member Federation's regulations shall prevail for the ECCC events, on exceptional basis.

6.5 Competition Shoes

All the competition shoes must follow World Athletics TR5, including the sole and/or heel and the spikes dimensions. It is the athletes' responsibility to make sure that the shoes to be used for competition are on the current list of approved shoes models by the World Athletics

<https://www.worldathletics.org/about-iaaf/documents/technical-information>

In case of no compliance with TR5 or the list of approved shoes, an athlete may not be allowed to compete or disqualified after the competition with the result being void. The shoes will be checked at the Call Room as the clothing items.

6.6 Registration fees

In addition to the accommodation fee described in "Accommodation" of website, following contribution must be paid to the organizing club by each participating club team (except host):

- Registration Fee: EUR 250 – which must be paid at the latest by the date of the closing of the preliminary entries.

6.7 Entry Procedures

Entries shall be made through the Entry Form which will be sent to all Member Federations.

6.8 Preliminary Entries

Each Member Federation shall send to European Clubs Foundation a preliminary number of athletes and of accompanying officials, together with their travel and accommodation details.

- Opening of preliminary entries: Tuesday 11 November 2025
- Deadline for preliminary entries: Thursday 27 November 2025 (14:00 CET)

6.9 Final Entries

Final entries showing the names and individual logistical information (**detailed travel arrangements, accommodation request and rooming list**) of the competitors and of the officials must be received not later than 10 (ten) days before the event. According to the regulations the deadlines for the final entries are:

- Opening of final entries: Thursday 12 January 2026
- Deadline for final entries: Thursday 29 January 2026 (14:00 CET)

No added athletes will be accepted after the closing of the Final Entries.

Exceptional changes related to already entered athletes may be accepted by European Clubs Foundation, at the latest 48 hours before the competition. In case of such changes, the respective Club would be accountable for a financial penalty of EUR 200 per case.

The information of all accompanying officials must be entered in the final entries. Persons under 18 years of age will not be allowed as accompanying officials.

Detailed travel and rooming list information will have to be registered for each athlete and official during the final entries process.

6.10 Final confirmations

9 DOPING CONTROL

The Doping Control Station (DCS) will be located at the **Hotel AP Victoria Sport & Beach**. Athletes selected and notified for doping control, their representatives and notifying chaperone will be transferred there by van.

DCS includes waiting room, two processing rooms and adjacent toilet facilities. This DCS will be guarded by a trained security volunteer at Entry/Exit desk, who will ensure that the access is granted only to authorized individuals carrying a Doping Control pass.

Selection of non-alcoholic sealed drinks (still water and mineral water) will be available for athletes for hydration.

The location of the DCS will be indicated in the hall of the hotel.

9.1 Selection of athletes to doping control

Doping controls will be conducted in accordance with World Athletics Anti-Doping Rules which are compliant with the WADA code in force since 1 January 2021. The controls will be carried out under the supervision of the European Clubs Foundation Doping Control Delegate. Both urine and blood samples may be collected immediately before, and during, the Championships.

The selection of athletes for control will be made on a final position and/or random basis under the supervision of the European Clubs Foundation Doping Control Delegate. In addition, the selection of further athletes may be ordered at the discretion of the European Clubs Foundation Doping Control Delegate.

A selected athlete should report immediately to the DCS unless there are valid reasons for delay. All selected athletes will be accompanied by a trained chaperone or Doping Control Officer from the time of notification until arrival at the DCS.

Athletes are reminded that refusing or failing to comply with the anti-doping procedures may constitute an anti-doping rule violation and could render them liable to disqualification and further disciplinary action.

During the control procedures, athletes will need their identity card or passport, together with their EVENT accreditation card.

Athletes who are prescribed 'prohibited' medication for the treatment of a medical condition should ensure that they have a valid Therapeutic use Exemption (TUE) for their medication, prior attending the Championships.

The LOC is responsible for all the costs related to doping controls allocated to the event including the doping control laboratory costs, except for the analysis costs for the additional tests undertaken following an official request by any participating Club, which are paid directly by the Club to the LOC on site.
